

A POSSE CHASES POTTER.

He Shot His Wife Four Times in Jamaica, and If Caught May Be Lynched.

Charles Potter, a colored man of Jamaica, L. I., who had been separated from his wife for a year or more, attempted to murder her at her home on South street, in that village at 11:30 last night. Potter asked his wife if she would return and live with him. She refused and he began firing at her.

Four shots took effect, two striking her in the arm, one in the side and one in the face. It is thought that the latter will cause her death. Potter escaped, running in the direction of Hempstead. A posse of twenty-five colored men started in pursuit and declared they would lynch him if he was caught.

TWO WIVES TRY TO AID HIM.

Louis Karl May Be Released from Bloomington by the Women He Married.

August P. Wagener, attorney for Mrs. Babette Karl, has obtained a mandamus compelling the authorities of the Bloomington Insane Asylum to show cause why they should not release Louis Karl, who is claimed as husband both by Mrs. Babette and Mrs. Minnie Karl, of No. 114 East Ninety-fifth street, and who, both believe, is sane.

The case came up before Justice Dykman.

of the Supreme Court, at White Plains, yesterday. Justice Dykman decided to appoint five experts to inquire into Karl's sanity and to place the final decision in the hands of a jury.

Mrs. Babette complains that the asylum authorities have done all in their power to prevent her from seeing her husband. It is now believed that wife No. 2 will assist Mrs. Babette in her efforts to obtain the freedom of their alleged mutual husband and will relinquish Louis to Mrs. Babette.

Karl fought in the French Army during the Franco-Prussian war, and at its close joined the Communists. He was sentenced to Algeria after the downfall of the Communists. He escaped to America. Meanwhile, Mrs. Karl No. 1, later Mrs. Babette, also emigrated to America, and the couple lost track of each other.

Karl married again, believing his wife dead, and so did the present Mrs. Babette, who is now a widow. Five years ago she read of the escape from Bloomington of a man named Louis Karl and of his recapture. She at once instituted a search, and a month ago was permitted to see the man, whom she identified at once as her husband. She has been hard at work since to procure his release.

Business Men Speak for Gold.

A largely attended meeting of the Business Men's Democratic Association of this city was held at the Hotel Savoy yesterday. Resolutions were adopted declaring that while the members were not adverse to the subordinate use of silver in the circulating medium, so far as the same is consistent with the maintenance of a gold standard, they were unalterably opposed to the free and unlimited coinage of silver at any ratio and the compulsory purchase of silver bullion by the Government.
